

Sunshine Coast Radio Sailing Club

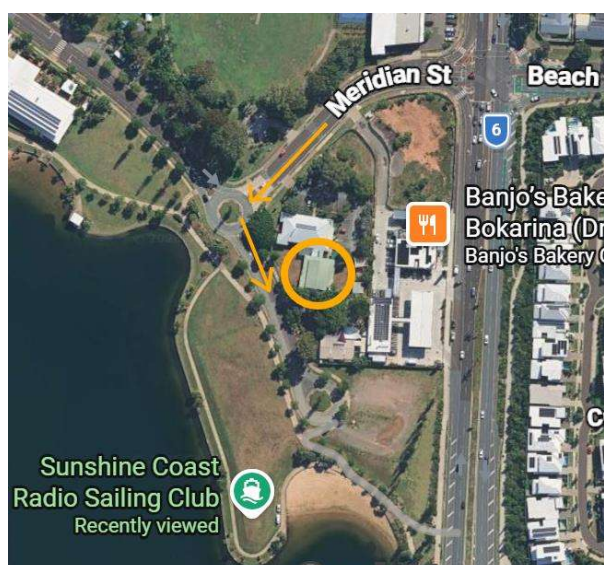

"The Best Onshore Sailing Experience"

2026 IOM AUSTRALIAN CHAMPIONSHIPS

REGISTRATION / MEASURING

WEDNESDAY 19th AUGUST 10am to 3pm

We have hired a Church hall adjacent to our sailing venue as shown on the map – orange circle. As you drive down Meridian Street you come to a roundabout – you will see the HTK Church to your left. Next to the church is the hall (yellow walls with pale green roof) ...look out for our signs.

Please bring your IOM unrigger, your rigs, batteries & measuring certificate with you.

First you will need to check in at our Registration Desk so we can confirm your details & get added to the measuring list whiteboard.

Please ensure your sail numbers are compliant with IOM Class rules.

We will be weighing boats with two separate stations to expediate proceedings due to the number of boats we need to get through. Our Club Measurer is Michael Hickman who will be ensuring everything goes smoothly. Please be patient – there will be a Coffee Van close by.

Wednesday from 11am to 3pm we have a practice session at the Lake –opposite the Measuring Hall. We have a Council permit to park on the grassy point if the weather is dry. If its wet you will need to use the Car Park at the second Roundabout.

We hope you have a great visit to the Sunshine Coast – its going to be competitive & fun !
